

*End Matter*

*The following are available in this section, as aids to readers:*

Chronology. A list of some major dates, from Hammurabi to Rome; includes the reigns of all the kings of Judah and Israel.

Maps of Palestine and Egypt. For more detail, see the **Essential Atlas**, recommended in the Introduction; here cited as “Atlas.”

Works Cited. Expands the short Author-Keyword citations in the book, includes some works seen but not explicitly cited.

Passages Quoted. By text, in alphabetical order; includes the other Testament and the few citations of non-Biblical texts.

Subject Index. Useful for locating a chapter or a remembered theme; includes major mentions only.

*Is this the moment for a farewell? It is hoped that readers will have found in these studies something helpful, or at least worthy of further consideration, in their own reading and reflection.*

*Thanks once again to those who have helped to bring these studies this far, and best wishes to all, going forward.*
